TRUSTEES' REPORT & FINANCIAL STATEMENTS

for the year ended

31 March 2026

SHETLAND ARTS DEVELOPMENT AGENCY

CHAIRPERSON'S MESSAGE

31 MARCH 2026

As Chair of Shetland Arts Development Agency, I am pleased to present our Annual Financial Statement for the year ending 31 March 2026. This year marks the first under new multi-year funding agreements with both Shetland Charitable Trust and Creative Scotland, providing a more stable foundation from which to plan and deliver our work.

Despite this increased security, the organisation continues to operate within a challenging environment. Rising costs and ongoing staffing pressures have required careful management and resilience from our team. I would like to recognise the commitment and adaptability of staff who have continued to deliver a high-quality programme in these circumstances.

Over the past year, Shetland Arts has maintained a strong level of activity and impact across the islands. Within the 12 months of this report, we presented more than 3,700 performances, screenings and exhibition days with over 220,000 audience engagements. Our programmes continue to support creative development, community connection and wellbeing, with consistently high levels of audience satisfaction and positive feedback.

We have also continued to invest in the creative economy, supporting practitioners and micro-businesses, while enabling new work, collaborations and skills development. This contribution remains vital to sustaining a vibrant and resilient cultural sector in Shetland.

This year has also been one of transition and anticipation. With Bonhoga closed for refurbishment, there has been an inevitable impact on delivery. However, this project represents a significant investment in the future of Shetland's cultural infrastructure, and we look forward to reopening an improved, more accessible and more sustainable facility in the coming year.

At Board level, I would like to welcome Kristofer Wilson, Charlotte Jones and Jacky Williamson to the Board. I also extend my thanks to my fellow Trustees for their continued commitment in supporting and guiding the organisation.

Finally, I would like to thank our core funders, Shetland Charitable Trust and Creative Scotland, for their continued investment and confidence in our work. My thanks also go to our staff, partners, audiences, participants, performers and students—your engagement and support are central to everything we do.

While challenges remain, the organisation is well placed to build on this year's progress. With renewed funding, ongoing capital developments, and a clear focus on impact, we look forward with cautious optimism to the year ahead.

ANNUAL REPORT OF THE TRUSTEES

31 MARCH 2026

The Trustees are pleased to present their annual Trustees' Report together with the financial statements of the charity for the year ending 31 March 2026.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the trust deed and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (as amended for accounting periods commencing 1 January 2019) (the SORP).

OBJECTIVES AND ACTIVITIES

Shetland Arts' principal objectives are laid out in the supplementary Deed of Trust registered on 30 October 2020.

The objects of the agency are to:

- (i) advance the education of the public resident in Shetland in the Arts, in particular the Arts of Dance, Drama, Theatre, Film, Literature, Music, Crafts, Visual Arts and any new form of Media;
- (ii) advance Arts and Culture for the benefit of the public in Shetland;
- (iii) advance Citizenship and Community Development for the benefit of the public in Shetland.

In furtherance of the objects the Trustees shall seek to:

- (i) encourage and assist in promoting and advancing the creation, practice, presentation and study of all forms of art – visual, performing and creative;
- (ii) support and encourage the continual development of all art forms;
- (iii) support existing, and encourage new, work;
- (iv) improve access to the arts and create opportunities for individuals, geographical communities and communities of interest, at all levels of experience and ability, to participate in and enjoy a diverse range of arts activity through performances, exhibitions and educational activities;
- (v) create opportunities for personal development through a community development approach within the arts;
- (vi) promote a culture of lifelong learning through a community development approach within the arts;
- (vii) support professional artists through residencies, workshops and performances;
- (viii) promote excellence in artistic quality;
- (ix) develop the skills and experience of artist practitioners and participants and encourage learning; and
- (x) provide facilities to support artistic activities.

ANNUAL REPORT OF THE TRUSTEES (CONTINUED)

31 MARCH 2026

Introduction

We employ a robust process of evaluation for each element of every project we deliver. Every activity is submitted to the Leadership Team on a Project Proposal Form (PPF) that contains a narrative statement and describes how the project relates to our Trust Deed, which programme area it is part of, which art forms it relates to and whether the work is contemporary, populist or traditional. This form also sets the Key Performance Indicators (KPIs) and the budget.

All elements of the activity are considered, particularly how the projects will deliver our social outcomes. The Leadership Team sets key milestones and receives regular updates, with monitoring requirements being dictated by the scale of the project.

Once an activity is completed the PPF is reviewed against actuals and lessons are learned where appropriate.

Monthly KPIs are collated for each project and are reported to our Trustees, Shetland Charitable Trust and Creative Scotland and made available on our website.

Social Outcomes

As part of the application process to Creative Scotland and Shetland Charitable Trust our Social Outcomes were reviewed and have evolved. Their alignment with a range of local and national strategies is still key. These are how the organisation designs its work programme.

1. Improved quality of life through greater access to creative and social experiences
2. Improved opportunities through the development of new skills
3. Improved confidence to contribute positively through greater opportunities for self-expression and community involvement
4. Improved feeling of inclusion and equality through an appreciation of a diversity of cultures and lifestyles
5. Improved mental and physical health through more active involvement in creative and social experiences
6. Improved community resilience through a more diverse creative economy

Although many of our activities will deliver against more than two of our social outcomes, our intention is to focus on the two that are the reason we are doing it and report against them. In our narrative reporting we acknowledge that a participant or audience member may well have experienced a different impact than we intended, and we will make every attempt to capture their story. We use a variety of methods to capture our impact including participant surveys, feedback, comments on social media and emails.

Shetland Arts delivers a large variety of events, exhibitions, workshops and activities. Below is a small sample to illustrate how we have been delivering against our social outcomes.

1. Improved quality of life through greater access to creative and social experiences

Highlights of activity that delivered this social outcome

During 2025–26, we delivered **3,139** performances, screenings and exhibitions, reaching **166,310** attendances across Shetland.

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES (CONTINUED)

31 MARCH 2026

Our programme combined local, national and international work, ensuring audiences could access high-quality cultural experiences without leaving the islands. Highlights included *Homemade 2025*, showcasing locally produced short films, alongside curated cinema seasons such as *Wes Anderson* and *Spielberg Season*, and the continued presentation of *National Theatre Live* screenings.

Live performance remained central, with a diverse programme spanning theatre, dance and music. Events like *Bodies of Water* and *After All* brought contemporary performance to local audiences, while live music and spoken word events—including appearances by Hollie McNish, Michael Pedersen and Roseanne Watt—expanded the range of artistic voices represented.

Family and early years audiences were engaged through interactive work such as *A Home for Hamish*, while large-scale community moments including the *Hogmanay* celebrations and themed cinema events created shared cultural experiences.

Touring activity also extended reach beyond Lerwick, with initiatives such as the *Splore* tour bringing theatre and dance to rural communities, ensuring geographic access across the islands.

Audience feedback continues to highlight the importance of this provision in supporting connection, enjoyment and a sense of place.

"My bairn loved this event, she really enjoyed watching the bands and I also enjoyed watching the bands and graphics."

"I loved being part of something local that still felt world-class."

"It was so funny and great to see this calibre of talent in Shetland."

2. Improved opportunities through the development of new skills

Highlights of activity that delivered this social outcome

We delivered **685** learning and development sessions, with **5,798** participations across all age groups.

Formal education programmes, delivered in partnership with UHI Shetland, supported students to achieve accredited outcomes in creative subjects. Student showcases, prize-giving and public presentations provided opportunities to demonstrate learning and build confidence in professional settings.

Early-stage engagement was supported through work experience placements and informal learning opportunities, with participants gaining insight into areas such as technical production, cinema operations and event delivery.

Artist development remained a core strand. Through *VACMA* and the *Shetland Arts Commissioning Fund*, we supported practitioners to develop new work, including projects such as *O Da Bog*, *Garbanzo*, and *Story Slam* development. Residency activity—including Emily Briggs' Mareel residency and the *Muir is Tir* land and sea residency—provided structured time for research, experimentation and collaboration.

Skills development also extended into participatory workshops, including physical theatre, craft and textile work (*FELT*), and creative writing and storytelling sessions linked to *Story Slam* activity.

"I've never done anything like this before but was made completely at ease and could challenge myself at my own level... learnt a lot."

"She learned a lot and made new friends. It was a great experience all round."

3. Improved confidence to contribute positively through greater opportunities for self-expression and community involvement

Highlights of activity that delivered this social outcome

A range of informal and structured platforms supported self-expression. Initiatives like **Shetland Story Slam** created new opportunities for personal storytelling in a public setting, while **Soup & A Show** and open-stage events encouraged performers to test and share new work in a supportive environment.

Regular Artist Meet-Ups provided space for peer exchange, discussion and informal presentation, contributing to a stronger sense of creative community and shared practice.

Youth engagement remained a priority. Dedicated youth arts activity and opportunities for young filmmakers and musicians—particularly through **Homemade** and youth-focused events—enabled participants to present work publicly and gain recognition for their creativity.

Support through VACMA and commissioning allowed individual artists to develop and present work, with spotlight features highlighting practitioner journeys and encouraging wider participation.

There is evidence of progression from participation to initiation, with individuals and groups developing their own projects, collaborations and events, demonstrating increased confidence and agency within the cultural sector.

"It's nice to share my work in a public place after having it hidden away in the studio – it's given me a confidence boost."

"Was lovely to see all the young children enjoying themselves on the stage, and becoming confident and comfortable in front of a live audience."

4. Improved feeling of inclusion and equality through an appreciation of a diversity of cultures and lifestyles

Our programme continued to prioritise inclusion, representation and accessibility.

Projects such as **X-Change Shetland Texas** explored international collaboration and cultural exchange, connecting Shetland-based artists with global networks. Work such as **Ultimate ThuleBEE** and related community workshops created inclusive, intergenerational participation opportunities rooted in local identity. Participatory projects including **FELT** encouraged engagement with heritage, materials and shared making practices, while also welcoming participants regardless of prior experience.

Programming also addressed social themes directly. Partnership work with Shetland Foodbank, including charity screenings, and exhibitions such as **Second Chances** created space for reflection on social justice, recovery and community support.

Performance and touring work brought diverse perspectives to local audiences, including contemporary dance, theatre and storytelling exploring identity, place and lived experience.

The Access and Inclusion Group continued to guide improvements in accessibility, communication and audience experience, ensuring that barriers to participation are actively addressed.

Feedback indicates that audiences value both the diversity of work presented and the inclusive environment in which it is delivered.

"It is so good to have discussions with those with first hand experience of Gaza and see artwork by people who are still there, in our local arts centre."

"Events like this make Shetland feel more inclusive and open to different perspectives."

5. Improved mental and physical health through more active involvement in creative and social experiences

Creative participation continued to play a significant role in supporting wellbeing.

During the year, **1,765** participants engaged in activity designed to support mental and physical health. This included structured wellbeing programmes such as *Singing Mamas*, which provided regular opportunities for social connection through group singing.

Workshops and participatory activity, including movement-based sessions, craft workshops and reflective creative practices, offered accessible routes into engagement for individuals seeking low-pressure environments.

Projects like the *Remembering Together COVID-19 memorial* and associated book launch created opportunities for collective reflection and processing of shared experiences, contributing to longer-term emotional wellbeing.

Additional activity, including nature-based and material-focused workshops (e.g. *FELT*), supported mindful engagement and connection to place, which is particularly relevant in Shetland's context.

Regular cultural participation, through attending events, screenings and performances, also contributes to wellbeing by reducing isolation and providing routine opportunities for social interaction.

Feedback demonstrates clear impact, with participants reporting improved mood, reduced stress and a increased sense of connection.

"It's just so good for the soul – I came in tired and left smiling."

"Taking part helped me through a tough time – it gave me focus and calm."

6. Improved community resilience through a more diverse creative economy

We supported **874** artists, freelancers and creative micro-businesses through commissioning, residencies, facilities and sector development activity.

The *Shetland Arts Commissioning Fund* and *VACMA* investment enabled artists to develop and present new work locally, supporting retention of creative talent within the islands. Funded projects spanned multiple disciplines, including performance, visual art, film and interdisciplinary practice.

Residency activity, including *Muir is Tir* and artist-led research and development projects, supported experimentation and collaboration, often connecting local practitioners with national and international networks.

Initiatives such as *Even Here, Even Now* strengthened inter-island collaboration, contributing to a broader creative ecosystem across Scotland's island communities.

Provision of facilities, including studio space, technical support and presentation platforms, enabled artists to produce work professionally within Shetland. Events such as arts and crafts fairs, exhibitions and screenings provided routes to market and audience development.

Sector visibility was further supported through communications activity, including artist spotlights, blog features and promotion of opportunities, helping to build a sustainable and connected creative community.

This combined approach contributes to a more resilient creative economy, enabling practitioners to sustain their work locally while contributing to Shetland's cultural and economic life.

"Being an Island artist can be quite a solitary profession at times, so its great to get opportunities to connect with other artists here in Shetland and across other Island communities."

"I've started selling my work because of the visibility this gave me – that's life-changing."

Volunteers

We work with volunteers in a number of different ways. This includes our voluntary board of Trustees, festival volunteers and delivery volunteers. During the year volunteers contributed 1,261 hours of their time to the organisation.

Change Management

During the financial year a restructure of the organisation took place which changed the structure of the Leadership Team. This change made the leadership team leaner to allow for additional staff at other levels within the organisation.

FINANCIAL REVIEW

The 2026 financial year was the first year of new funding agreements with Shetland Charitable Trust and Creative Scotland allowing the organisation to move forward in a positive way.

The successful funding applications to Shetland Charitable Trust for the period from 2025-2030 and to Creative Scotland for 2025-2028 have given certainty going forward. The trustees are confident that the organisation will remain solvent as projections to 30 September 2027 show the organisation in a suitable financial position. The Leadership Team will also review results monthly and will act quickly if cost savings are required.

The movement on the Unrestricted Funds for the year was £50,299 (2025 – £nil). This movement of £50,299 in Unrestricted Funds comes after the deduction of depreciation in the year of £588,575. This depreciation is partly offset by a transfer made from the Restricted Capital Fund to Unrestricted Funds of £576,260. This transfer is done to recognise the fact that capital grants received in this year and during earlier financial periods should be amortised over the same useful lifetime as the assets to which they relate.

The Total Incoming Resources for the year were £2,701,181 (2025 - £2,870,968) made up as follows:

	2026 £	2026 %	2025 £	2025 %
Revenue grants received	1,431,528	53.0%	1,243,785	43.3%
Capital grants received	51,853	1.9%	468,895	16.3%
Self-generated income	1,207,855	44.7%	1,140,144	39.7%
Interest received	8,404	0.3%	15,033	0.6%
Donations and sponsorship	1,541	0.1%	3,111	0.1%
TOTAL	2,701,181	100%	2,870,968	100%

We received annual revenue funding of £1,050,000 from Shetland Charitable Trust (SCT) and £358,905 from Creative Scotland (CS) during the year.

Project funding was received from various funders, including Creative Scotland, Cycle UK and Highlands and Islands Enterprise. This funding, combined with the use of our revenue funding and generated income has allowed the range of arts activity described under "Activities, Achievements and Performance" to take place during the year.

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES (CONTINUED)

31 MARCH 2026

Total Resources Expended was £3,235,526 (2025 - £3,067,976) made up as follows:

	2026 £	2026 %	2025 £	2025 %
Stock and goods purchases	284,830	8.8%	256,649	8.4%
Charitable activities	2,950,696	91.2%	2,811,327	91.6%
TOTAL	3,235,526	100%	3,067,976	100%

Grants were given out by Shetland Arts in the year of £7,600 (2025 - £10,000). These are contained in the Charitable Activities line above and further details of the grant scheme are contained in note 8b.

All staff costs are included in charitable activities above and have increased from £1,143,049 in 2025 to £1,513,655 in 2026. Due to the new funding agreements the organisation was able to staff up to increase capacity to undertake projects.

Shetland Arts is an approved member of the Shetland Islands Council Pension Scheme. In line with guidance on the recognition of pension scheme assets, Shetland Arts have not recognised the defined benefit pension scheme asset as the impact of the asset ceiling is to reduce the net pension asset to £nil.

RESERVES POLICY

In April 2016 the Trustees approved a new reserves policy. SADA is working towards securing adequate reserves to meet current and potential future needs. The organisation aims to have unrestricted reserves of at least £200,000, which will allow the organisation to meet any unexpected expenditure that may arise.

Within this reserve, funds will be designated to an Asset Replacement and Repair Reserve. In any year that the organisation makes a surplus, 50% of this surplus will be designated into this fund. The fund will be used for the replacement and repair of the assets of the organisation.

Total funds as at 31 March 2026 are £7,353,411 (2025 - £7,887,756). This is split between Restricted Funds of £7,186,907 (2025 - £7,771,551) and Unrestricted Funds of £166,504 (2025 - £116,205).

A designation of £25,149 was made to the Asset Replacement and Repair reserve in the year to 31 March 2026.

The trustees acknowledge the current position is challenging and they expect it to be a medium-to-long term objective to reach the position stated in the reserves policy. The staff team has been charged to increase surplus from income for us to achieve this position within the next three years.

PLANS FOR THE FUTURE

Funding

We have spent the last 12 month developing a fundraising strategy that will be implemented over the next three years. The plans are to increase investment from sponsorship and Trusts and Foundations to 10% of our total funded income.

Regional Role

We continue to develop Shetland Arts' regional role in partnership with The Pier Arts Center in Orkney, An Lanntair in Harris and Taigh Chearsabhagh Museum & Arts Centre in North Uist. 2026 / 27 should see the initial projects from the Islands Growth Deal begin to come to fruition. The inclusion of Even Here Even Now in the Scottish Government Islands Plan is significant recognition of the work of Shetland Arts and we look forward to expanding into new territories.

Facilities

We will continue to invest in our facilities with investment from a variety of sources. The support from Shetland Charitable Trusts Capital Grants scheme has enabled us to improve and or replace some key areas. Funding from Cycle UK has enabled investment in a electric cargo bike and bike shed with recharge facilities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document and Organisation

Shetland Arts Development Agency is an unincorporated Registered Scottish Charity, constituted under a trust deed. The organisation is governed by a board of trustees who are responsible for long-term planning and strategic decision making, delegating the day-to-day operational decision making to the Chief Executive.

Appointment of Trustees, their Induction and Training

The trustees meet bi-monthly to administer the activities of the Agency. During the year the Trust Deed required the board to be comprised of a minimum of seven trustees, and a maximum of thirteen. Each trustee shall hold office for a period of three years with power to be re-appointed for a further period of three years.

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES (CONTINUED)

31 MARCH 2026

Trustees will retire on the third anniversary of their appointment. In the event of appointment for that further period, such trustees will not be eligible for appointment for a period of three years thereafter. The appointment of new trustees will be the job of a Nominations Committee constituted by three of the serving trustees. Trustees are normally recruited following public advertisement. The positions of Chair and Vice Chair are voted on by the existing trustees, and these office holders serve in accordance with the Agency's Standing Orders.

The trustees make decisions by majority vote at their meetings. The board holds meetings every two months with a more detailed information session on specific topics of interest in the months between.

New trustees receive individual induction from the Leadership Team on appointment and are encouraged to undertake training as appropriate to their role.

Pay Policy for Senior Staff

The trustees consider that the charity's trustees and Leadership Team comprise the key management personnel of the charity in charge of direction and controlling, running and operating the charity on a day-to-day basis. The Leadership Team comprises the Chief Executive, Director of Creativity and Impact and the Director of Operations. All trustees give their time freely and no trustee received remuneration in the year. Details of trustee's expenses are disclosed in note 19 of the accounts.

The pay of the senior staff is reviewed annually. The pay rates are benchmarked against third sector pay in Shetland. The pay of the Chief Executive is set by the trustees.

Related Parties

Shetland Arts Development Agency is funded by the Shetland Charitable Trust to deliver arts services to the community in line with their 2025 – 2030 Strategy. Their priorities include Community wellbeing; Individual wellbeing; Everyone matters; Generational fairness and Enabling strong and resilient organisations.

Shetland Arts Development Agency also receives revenue funding from Creative Scotland, dependent upon its submission to them of an annual programme of activities. This programme must meet Creative Scotland's own criteria of Quality and Ambition; Engagement; Equalities, Diversity and Inclusion; Environmental Sustainability and Fair Work.

Shetland Arts IP C.I.C., a Community Interest Company, was incorporated on 25 July 2011. The Company is wholly owned by Shetland Arts Development Agency and was set up as a means to secure the intellectual property rights over films, books, music, etc. and ensure that any profits generated in this way can be retained for the good of Shetland. During the financial year, the company's transactions were not material to the group, so consolidation of the figures was not required.

Risk Management

The Trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate our exposure to the major risks. The new risk of climate change has been added during the year. The table below highlights the risks the board have identified as being the most significant.

Risk Title	Risk Detail	Mitigation
Leadership	Loss of key leaders or key individuals that the organisation depends upon and cannot be replaced easily	Appropriate Pay and T&Cs Training and Wellbeing provision Good national profile to enable recruitment (Trustees & Staff) Critical Process Planning
Lack of Governance	Governance arrangements have little or no systems in place to identify and monitor compliance	Regular formal and informal meetings with key reports Complete the SCVO Governance Check Up Annual Audit

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the annual Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES (CONTINUED)

31 MARCH 2026

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP (FRS 102);
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements might differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

31 MARCH 2026

Opinion

We have audited the financial statements of Shetland Arts Development Agency (the 'charity') for the year ended 31 March 2026 which comprise Statement of Financial Activities, the Balance Sheet, Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2026 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with regulations made under that Act.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

31 MARCH 2026

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' annual report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities set out on page 13 the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework, that the charity operates in and how the charity is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

SHETLAND ARTS DEVELOPMENT AGENCY

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

31 MARCH 2026

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended), the charity's governing document and tax legislation. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Trustees' Report, remaining alert to new or unusual transactions which may not be in accordance with the governing documents, inspecting correspondence with local tax authorities and evaluating advice received from external advisors.

The most significant laws and regulations that have an indirect impact on the financial statements are those in relation to the Employment Act 2008 and Health and Safety at Work Act 1974. We performed audit procedures to inquire of management whether the charity is in compliance with these law and regulations and inspected the client's risk register for controls in place, as well as checking payroll documentation and reconciliations.

The audit engagement team identified the risk of management override of controls and revenue recognition (occurrence and cut-off of grant income and completeness of other income) as the areas where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed in connection with management override included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business, challenging judgments and estimates. In relation to revenue recognition we have tested grant letters and documentation in relation to ancillary revenue.

Due to the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

SHETLAND ARTS DEVELOPMENT AGENCY

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2026

1. PRINCIPAL ACCOUNTING POLICIES

Basis of Accounting

The accounts are prepared under the historical cost convention (with the exception of pianos which are included at market value and the Weisdale Mill which is included at deemed cost) and include the results of the charity's operations which are described in the Trustees' Report and all of which are continuing.

In preparing the financial statements the charity follows best practice as laid down in the Accounting and Reporting by Charities: Statement of Recommended Practice, applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (as amended for accounting periods commencing 1 January 2019) (the SORP), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006 (as amended) except as noted below.

Shetland Arts Development Agency meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared in compliance with FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The functional currency of Shetland Arts Development Agency is considered to be pounds sterling because that is the currency of the primary economic environment in which the charity operates.

All figures within the financial statements are rounded to the nearest pound except figures in note 18 where rounding is to the nearest £1,000.

Consolidation

The financial statements have been prepared for Shetland Arts Development Agency as an entity and in accordance with the SORP module 24. Group accounts have not been prepared on the basis that there is no statutory requirement to prepare group accounts as the results of the subsidiary undertaking is not material to the group.

Critical Accounting Estimates and Areas of Judgement

The following judgements and estimates have had the most significant effect on the amount recognised in the financial statements.

The trust recognised a defined benefit pension scheme asset on the balance sheet. At 31 March 2026 the gross asset was nil (2025: nil). Changes to the actuarial assumptions could result in material changes within the next financial year. Following updated guidance on the recognition of pension scheme assets, Shetland Arts have not recognised the defined benefit scheme asset as the impact of the assets ceiling is to maintain the net pension asset as £nil.

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual value of the assets. These are re-assessed and amended when necessary.

Going Concern

Following the successful funding bids in the prior year the organisation now has a steady income base for coming years. The trading income position has also steadied with the exception of cinema. The Leadership Team have prepared cash flow projections for the next 12 months from the date of signing of the accounts and these show there will be sufficient cash, based on expected income and expenditure levels. The key assumptions underpinning these forecasts are the level of trading income earned and the receipt of funding from Shetland Charitable Trust beyond 2026/27, together with the ability to reduce costs. The anticipated level of trading income is based on industry expectations. The Shetland Charitable Trust funding is based on the indicative award in the outcome of a funding bid.

SHETLAND ARTS DEVELOPMENT AGENCY

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2026

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Based on the charity's cash flow forecasts, the anticipated outcome of the matters described and there being no material uncertainties, the trustees have concluded that there is a reasonable expectation that the charity has adequate financial resources to operate for the foreseeable future. Accordingly, the financial statements of the charity have been prepared on a going concern basis.

Income

Income is included in the Statement of Financial Activities when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. The following policies are applied to particular categories of income:

Donations, legacies and similar incoming resources are included in the year in which they are receivable, which is when the charity becomes entitled to the resource.

Capital Grants

Capital grants are taken into account when they become receivable.

Revenue Grants

Revenue grants are taken into account when they become receivable.

The value of volunteer help received is not included in the accounts but is described in the annual Trustees' Report.

Expenditure

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. It is probable that settlement will be required and the amount of the obligation can be measured reliably. All costs have been directly attributed to one of the functional categories of resources expended in the Statement of Financial Activities.

Support Costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include staff salaries, overheads and governance costs which support the charity's activities.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.

Termination Benefits

Termination benefits are payable when employment is terminated by the charity before the normal retirement date, or whenever an employee accepts voluntary redundancy. Such benefits are recognised when the charity is demonstrably committed to terminating the employment without withdrawal or when an offer of voluntary redundancy is accepted.

Operating Lease Agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are accounted for in the Statement of Financial Activities within resources expended on a straight line basis over the period of the lease, with the exception of the rent payable to Shetland Islands Council under the sub-lease of Mareel, which is netted off against rent receivable from Shetland Islands Council under the head-lease, as explained in note 22.

SHETLAND ARTS DEVELOPMENT AGENCY

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2026

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Tangible Fixed Assets

No single equipment purchase with a cost below £2,000 is to be capitalised. Any item of equipment costing more than £2,000 is initially stated at cost.

Paintings are not depreciated as they are considered to have a useful life of greater than 50 years and therefore any depreciation is considered immaterial. The trustees consider that this departure from United Kingdom Generally Accepted Accounting Practice (UK GAAP) is necessary in order to provide a true and fair view.

The pianos were re-valued on 31 March 2011. A review was undertaken by the Chief Executive in 2025 by requesting the piano tuner used by the organisation for a valuation and it was found that the value was appropriate.

Depreciation is provided on all other tangible fixed assets at rates calculated to write off the cost or valuation, less estimated residual value, of each asset evenly over its expected useful life. Assets under construction are not depreciated. The estimated useful lifetime of assets was calculated as:

Heritable Property – Weisdale Mill – 50 years
Heritable Property – Mareel building – 24 years
Plant and Equipment – 5 to 10 years
Computer Equipment – 3 to 5 years

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of an age and in the condition expected at the end of its useful life.

Investments

Investments in subsidiary undertakings are initially capitalised at cost.

Stocks

Stocks are stated at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less any further costs expected to be incurred on disposal.

Debtors

Trade and other debtors that are receivable within one year are recognised at the settlement amount due after any trade discount offered. Pre-payments are valued at the amount pre-paid net of any trade discounts.

Cash at bank and in hand

Cash at bank and in hand is held to meet the short-term commitments as they fall due rather than for any investment purposes.

Liabilities

Liabilities arise from legal or constructive obligations that commit the charity to expenditure. A liability and related expenditure is recognised when all of the following criteria are met:

- Obligation – a present legal or constructive obligation exists at the reporting date as a result of a past event;
- Probable – it is more likely than not that a transfer of economic benefits, often cash, will be required in settlement; and
- Measurement – the amount of the obligation can be measured or estimated reliably.

Liabilities that are classified as payable within one year on initial recognition are measured at the undiscounted amount of cash or other consideration expected to be paid. Amounts are included in liabilities when authorised and committed.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2026

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Value Added Tax

Irrecoverable value added tax is written off when the expenditure to which it relates is incurred.

Retirement Benefits

Eligible employees of the Shetland Arts Development Agency are members of the Local Government Pension Scheme, a multi-employer defined benefit statutory scheme, administered by Shetland Islands Council in accordance with the Local Government Pension Scheme (Scotland) Regulations 1998 as amended. The contributions to the scheme are charged to the statement of financial activities so as to spread the cost of pensions over the service lives of employees.

Funds

With the adoption of the statement of recommended practice, funds require to be classified between restricted funds which are subject to specific terms as to their use laid down by the donor, and unrestricted funds which can be used at the discretion of the trustees in the furtherance of the objectives of the trust.

Restricted Capital Funds are grant funding that has been received in respect of specific capital expenditure. A transfer is made from this fund to show the amortisation of this funding over the useful estimated lifetime of the assets to which the funding applied. This transfer is made to unrestricted reserves as the depreciation of assets is recorded here.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. LEGAL STATUS OF THE CHARITY

Shetland Arts Development Agency is an unincorporated registered Scottish charity constituted by its trust deed. The charity's address and details of its operations and principal activities are detailed within the Trustees' Report.

The charity benefits greatly from the involvement and enthusiastic support of its many volunteers, details of which are given in the Trustees' Report. In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements.

18. PENSION SCHEME

Shetland Arts Development Agency provides pension arrangements to eligible employees through a multi-employer defined benefit statutory scheme and the related costs are assessed in accordance with the advice of Hymans Robertson, Independent Qualified Actuaries.

The latest formal valuation of the Fund was at 31 March 2023 and this is updated on a triennial basis. A summary of the membership data used and the benefits valued at the latest formal valuation are set out in the formal valuation report. Hymans Robertson has reviewed the most recent full actuarial valuation at 31 March 2023 and has updated it annually at the charity's balance sheet date to reflect current conditions.

Assumptions as at	2026	2025
Inflation/pension increase rate	3.00%	2.75%
Salary increases	3.00%	2.75%
Discount rate	6.30%	5.80%

The discount rate used to place a value on the liabilities is determined by reference to market yields on high quality corporate bonds at the reporting date. The approach adopted by Hymans Robertson to setting the discount rate involved constructing a corporate bond yield curve based on the constituents of the iBoxx AA corporate bond index.

With the adoption of the statement of recommended practice, funds require to be classified between restricted funds which are subject to specific terms as to their use laid down by the donor, and unrestricted funds which can be used at the discretion of the trustees in the furtherance of the objectives of the trust.

Restricted Capital Funds are grant funding that has been received in respect of specific capital expenditure. A transfer is made from this fund to show the amortisation of this funding over the useful estimated lifetime of the assets to which the funding applied. This transfer is made to unrestricted reserves as the depreciation of assets is recorded here.

20. ANALYSIS OF MOVEMENTS BETWEEN FUNDS (continued)

The designated fund is held for use in building repairs as per the reserves policy of the organisation.

The Shetland Film Club restricted fund was created from a donation from the Shetland Film Club on its wind up. The funds are restricted for use on the rural touring of film. No rural film touring was undertaken in the year meaning there was no movement on this fund. Discussions have been held with the individuals who were the final club members and the funds may be used to support educational screenings for school children in the future if rural touring cannot happen.

The Shetland Charitable Trust fund directly relates to the annual core funding received from Shetland Charitable Trust and was fully utilised in the year.

The Shetland Charitable Trust Capital Grant Scheme fund relates to funding agreed with the Shetland Charitable Trust for maintenance works that are yet to take place. Some of the works were undertaken in the year with the remainder being completed in 2026/27.

The Trad Big Band restricted fund relates directly to the Trad Big Band project. The remaining funds were used to support the Trad Youth North project in the year. This reserve is now closed.

The Culture Collective fund relates to the Culture Collective Project. This project is now complete and all funds utilised.

The Corra Foundation reserve was created due to a grant being received from this foundation for COVID wellbeing projects. The full grant has yet to be spent and the Corra Foundation has not asked for this to be repaid. The fund will be used for wellbeing projects undertaken in the 2026/27 financial year.

The Visual Arts and Craft Makers Awards restricted fund continues to be used to make awards to local craft makers and is an ongoing project.

The Recovery Fund for Cultural Organisations was created by funding from Creative Scotland to support the organisation in its recovery from COVID-19. Part of the funding was available to increase organisational reserves which is why there has been no movement. In the future the fund may be used in line with the other eligible cost areas for the grant.

The Summer of Play reserve was created through funding received to encourage children to take part in activity in summer 2021. The project expenses were not as great as anticipated and no reclaim has been sought from the funder. The remaining funds were used against youth activity in the year.

The Remembering Together reserve was created to support the delivery of the COVID memorial for Shetland. The project was completed in year and all funds utilised.

The Discovery Film Club fund was created with funding received to start a Discovery Film Club in Shetland. The Film Club project only began in Q4 25/26 and is ongoing.

The Bonhoga Graduate fund was created through grant funding received for a graduate to develop the future business plan for Bonhoga. The funding and employment will continue to mid 2026.

As per the reserves policy of the organisation, in prior years, 50% of the unrestricted operating surplus after the deficit on unrestricted funds was cleared has been designated to a new Assets Replacement and Repair Reserve. These funds will be used in conjunction with the SCT Capital Grant Funding to undertake repairs to SADA venues. A designation of £25,149 was made in year.

22. OPERATING LEASES (continued)

On 27 May 2013, a lease was granted by Shetland Arts Development Agency to Shetland Islands Council (SIC) over the subjects at Mareel. The Lease term is 99 years with the tenant being the SIC. A premium of £1,100,000 (plus VAT) was payable with an annual rent being £132,547 (this will be reviewed every five years). The SIC has the option to buy Mareel for £1 after 1 May 2037 when the grant conditions for Creative Scotland expire. This option is secured. Further to this, a sub-lease has been granted by the SIC back to Shetland Arts Development Agency for 24 years to 1 May 2037, with rent being the same as the head lease. There is an option to terminate this sub-lease on six months' notice by either party.

23. FINANCIAL INSTRUMENTS

The carrying amount for each category of financial instrument, measured at amortised cost, is as follows:
